

SS.912.A.6.10 Early Cold War 1945 - 1950- Example 2 Answer

The primary purpose for the creation of the United Nations was to

- a. maintain an international army**
- b. promote peace through international agreements**
- c. free Eastern European countries from communism**
- d. supply food to all member countries**

Answer

- b. promote peace through international agreements

The United Nations was created after WWII as an international peace keeping organization whose primary purpose was not military intimidation but rather a forum for all nations to come together and work peacefully through diplomacy to resolve world issues.
